# NATIONAL MICROSCHOOLING CENTER

PREFERRED PROVIDER OPTIONS

WELCOME TO THE CENTER

# NATIONAL MICROSCHOOLING CENTER

## 1. PREFERRED PROVIDER: LISTING

***The Center team will review your materials and your products/services before notifying you of your eligibility to be a Center Preferred Provider. We do give preference to providers that offer a discount exclusive to Center member microschools.***

Preferred Providers receive:

- Listing in our preferred provider directory, which is available to members on our member portal and also available to the public on our website
- Promotion of your program/product in our members-only Facebook group, and newsletter
- Option to participate in our Preferred Provider Spotlight Series, where you can demo your services to our membership base and public at large
- NMC Preferred Provider logo to display on your website

***Cost: \$1,000 annually***

***We do occasionally ask preferred providers to be partner providers. This option is available by invitation only, has no additional cost and comes with additional benefits. Partner providers are often exemplars in their field and substantially discount their services or product for Center members.***

# NATIONAL MICROSCHOOLING CENTER

## 2. PREFERRED PROVIDER: NONMICROSCHOOL MEMBER

***This option is for any provider looking to be more involved with and learn more from the Center. Center team will review your materials before notifying you of your eligibility to be a Center Nonmicroschool member. Nonmicroschool members may share Center's intellectual property with proper attribution and pending the Center's prior review of all materials or communications referencing it.***

Nonmicroschool members receive:

- Everything included in the Preferred Provider Listing (see above)
- If requested by our group, access to speak at a member meeting
- Access to a private Preferred Provider: Nonmicroschool member Facebook group where you can interact and engage with our members
- Quarterly reports from the National Microschooling Center team with exclusive microschooling insight

**Cost: \$5,000 yearly**

Ready to discuss your options? Contact the Center's Director of Microschool Leadership Development and Supports, Kathryn Kret, for more information.
